2024 Schedule for Corporate Pursuing of Truth Reading

Daily chapter reading is from Monday to Friday, leaving the weekend for make-up reading and reflection on what was enjoyed. **NOTE:** While most weeks have five chapters, a few weeks have 4 or 6 chapters to allow the week to conclude with the completion of a single book. Levels of pursuing are based on available time and capacity.

- **Level 1:** Reading one book chapter per day, Monday through Friday.
- **Level 2:** Reading one book chapter per day, plus two Life-Studies per week.
